

Appln No. 10/759,491
Amdt date January 18, 2008
Reply to Office action of November 19, 2007

REMARKS/ARGUMENTS

Claims 6-9, 12, 17, and 24-27 are currently pending in this application. Claims 1-5, 10, 11, 13-16, 18-23, and 28-31 have been cancelled without prejudice.

In an Office action dated November 19, 2007, the Examiner indicated that claims 6-9, 12, 17, and 24-27 are allowed. Applicant thanks the Examiner for the allowance of these claims.

In the Office action, the Examiner rejected claims 1-5, 11, 13-16, 20-23, and 31 under section 103(a) as allegedly being obvious over Park (U.S. Patent Publication No. 2002/0074032) in view of Chiu (U.S. Patent No. 5,062,178). Applicant respectfully disagrees with the Examiner's contentions, but Applicant has cancelled the rejected and withdrawn claims without prejudice in order to move the application toward allowance. Applicant reserves the right to pursue the rejected and withdrawn claims in a continuing application.

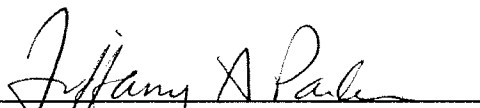

Applicant notes that the Office action of November 19, 2007 did not acknowledge receipt of the priority document, Korean Patent Application No. 20-2003-0001545. A certified copy of this Korean application was submitted along with Applicant's response on September 12, 2007. Applicant respectfully requests acknowledgment of the receipt of this priority document in the next correspondence from the Patent Office. A copy of the certified copy of the priority application from the U.S. Patent and Trademark Office PAIR database is enclosed herewith for the Examiner's convenience.

In view of the present amendments, Applicant respectfully submits that the application is in condition for allowance and requests a timely Notice of Allowance. If there are any remaining
